

Linda M. Wohlgemuth

February 6, 2019

Linda McKee Wohlgemuth passed away on February 6, 2019 after a long battle with Parkinson's disease. She was the beloved wife of Frederick Wohlgemuth for sixty years. Linda's life was one of family and life-long friendships. Originally from Naugatuck, CT, she moved to the Hartford area to attend Hartford Hospital School of Nursing. She loved practical jokes, a good game of bridge, tennis or any game really. She believed in the importance of taking care of one another, that laughter is good medicine, and in the love of a good dog. She is survived by her husband, Fred, and their daughters; Gretchen Wohlgemuth (Morey), Kristen Mitchell, Lisa Bywater and her five grandchildren. The family would like to thank the Hebrew Home 2 South team for their love and care of Linda. In lieu of flowers donations may be made to the American Parkinson Disease Association (apdaparkinson.org). Calling hours will be Wednesday, February 13, 2019 from 4-6pm at Taylor & Modeen Funeral Home, 136 S. Main Street, West Hartford, CT. A memorial service will follow at 6pm. Internment will be private. For online condolences, please visit www.taylorandmodeen.com.

Comments

“ Dear Fred, I was saddened to learn that Linda had passed on and regret that I will be unable to attend the calling hours tomorrow. With fond memories of you and our many years together you and your family are in our prayers. May you be uplifted by the love of family and friends and a host of happy memories.

“ Please know that my thoughts and prayers are with Aunt Linda, Uncle Fred and the entire Wohlgemuth family. One of my favorite aunts. Unfortunately Beth and I are in Florida and unable to attend the service. I will always remember her smile and her pride in her three girls. Love to you all. Larry and Beth Thayer

“ My sincere condolences to Fred and all of Linda's family. I got to know Linda and Fred from my Thursday visits to the Hebrew Home with my dog, Sam, who loved the attention — and ear scratches — he got from them. Peace.
